

CEILING FANS

APOLLO LIGHTING
ELECTRICAL SERVICE

Powering Your Event

**What do you do when your marquee gets to stuffy or hot?
Use Ceiling Fans of course!**

Apollo Lighting Service now has Ceiling Fans available to cool your corporate or VIP Marquee.

A great alternative to the usual noisy and ugly industrial pedestal fans that usually blow too much air even at a low speed. Our fans are stylish and quiet and when used in place of standard lights, these units cool your guests as well as lighting your event.

Technical specifications:

Brushed Steel finish

Suitable for Pavilions 6m wide and larger

1300mm diameter, 3 speed fan

Drop Rods used to hang fans at their optimum height

2 x 28watt Halogen Globes with pearl diffuser
remote controlled

Apollo Lighting Service: Powering your Event

Temporary and permanent power supply and distribution from generator or permanent power.

Lighting for spaces, marquees, offices, shops and factories.

Supply and refuelling of generators and lighting towers.

Connections to the SAPN Grid.

Why use Apollo Lighting Service?

By using Apollo as your electrical contractor you will receive a world class electrical and lighting solution that is on-time, safe, reliable and cost effective, powering your event to a successful outcome .
