

# APOLLO LIGHTING SERVICE

**APOLLO LIGHTING**  
**ELECTRICAL SERVICE**

*Powering Your Event*

## POWER GENERATION AND DISTRIBUTION

Apollo Lighting Service, with its power generation partner Aggreko, can supply generated or grid supplied power and power distribution systems from 10kVA to 2000 kVA.

Being in the business of power distribution for events for over 40 years means we have a solid understanding of the needs and the equipment required for every event or function you can imagine.

## SITE & MARQUEE LIGHTING

Apollo Lighting Service has the capability and experience to light the public, front of house and back of house areas of your event in the most cost effective and low risk manner possible.

When your event needs power efficient lighting for marquees of any size Apollo Lighting Service have the expertise and equipment that will suit your needs.

We have a wide variety of lighting from Fluro's, Lanterns and LED's for your tents, to enough Balloons, Festoons and Flood lights to light up an entire park.

We can supply emergency and exit lights, as well as self powered lighting towers with up to 6k of lighting output so you are never in the dark.

## SPECIALIST AND EFFECTS

Apollo Lighting Service can offer you a variety of additional services to help with the smooth operation and corporate presentation of your event.

We have everything from Inflatable Balloon Lights providing lighting and branding opportunities, to Tube and Cone lights to give your event that special look.

Apollo can also supply Ceiling Fans that can be placed in your VIP Marquees to keep your patrons cool or IR Heaters to warm them up.

## Why choose Apollo Lighting Service for your event?

Apollo Lighting Service has been supplying the South Australian Events Industry with event power, area and stage lighting for over 40 years.

Based in Hindmarsh South Australia, Apollo has been involved with most of the large outdoor events in South Australia including Womad, Tour Down Under, the Australian International 3 Day Event (Horse Trials), Schutzenfest, Clipsal 500, Carols by Candlelight, Soundwave, Adelaide Festival, Adelaide Fringe and Adelaide City Council's New Years Eve, and Australia Day celebrations.

Apollo understands that client requirements need to be delivered on time, and in a cost effective manner. Apollo's experience in planning power supply and lighting solutions ensures a time efficient, economically viable and environmentally conscious outcome.

Apollo's professionalism and dedication to a high standard of work has led to opportunities to work with some of the highest profile touring bands from the Beatles in 1964 to the AC/DC concert in 2015.

Apollo has provided Electrical and Site Lighting services to artists and events including One Direction, Sting/Paul Simon, Rolling Stones, U2, Andre Rieu, Park Life, Big Day Out, Soundwave and Foo Fighters just to name a few.

**By choosing Apollo Lighting Service as your electrical contractor you will receive a world class electrical and lighting solution that is on-time, safe, reliable and value for money.**
